The enhanced rates have already been brought into effect without specific sanction. This was ascertained personally while at Mysore for the Knitting Session. May the Hon'ble be asked to clarify on what authority the former rates were based and informed that the new rates should not be brought into effect till sanction is obtained

Evidently there is no authority. The present scale may be approved

The classification proposed is clear. an impracticable one. Any classification made on the basis of income is bound to lead to abuse. In the case of officers of govt it may be possible. but how can it be enforced on those who are not such? The matter requires some consideration. I quite understand the desire of the Govt to improve the resources of the institution by levying an enhanced tariff of rates. in view of the general rise in rents & cost of living.
